The Mystics,

an American Rock and Roll group from the late  
1950's-1970's, originally from Brooklyn, New York,  
now residing in Beverly Hills, Florida  
celebrate their 61st anniversary of the  
mega seller 1959 International and National Hit

**HUSHABYE**

which reigned on the charts for six months and are  
celebrating their 63rd year as experts in the music  
and entertainment industry.

Discover how they averted turf wars, temptations  
and rose to fame without losing their souls.

The Mystics have withstood the test of time.

All five original members are alive today.
